

Mass Psychology Astrological Forecast November 2-13, 2015 by Victoria Martin (viccimartin@gmail.com) editor: Debbie Ditchoff

The Sun at week's start shows flares rotating out sight!

New Moon is November 9-13

Venus at full phase right before or right after superior conjunction (at far side of Sun)

Highlights for This Week

October 25-November 5 FORECAST A clear game plan for health, business, and consulting relationships is dawning. Teachers and preachers learn from deep wisdom or folk medicine. Classic knowledge from the past is relevant for today. ADVICE Find a role model or start a dialog that can produce a mentorship or healing. JUPITER OPPOSED CHIRON (DWARF PLANET)

November 9-13 FORECAST A preview of things to come could include obstacle removers. ADVICE This is a very strategic timeframe; calculate motions and use keen awareness and observation. Utilize all senses, especially scent. Engage fully in forging your own path. NEW MOON PHASE

November 1-3 FORECAST Allies forge deeper bonds and exact emotional alignments are in progress. Fall in love, get into vivid, exciting, romantic situations. The conditions are conducive to creativity par excellence. Designs are vast, potent and meaningful. This is an excellent time to pack extra punch into event production; extreme socializing works just fine! VENUS CONJUNCT MARS

Monday, November 2

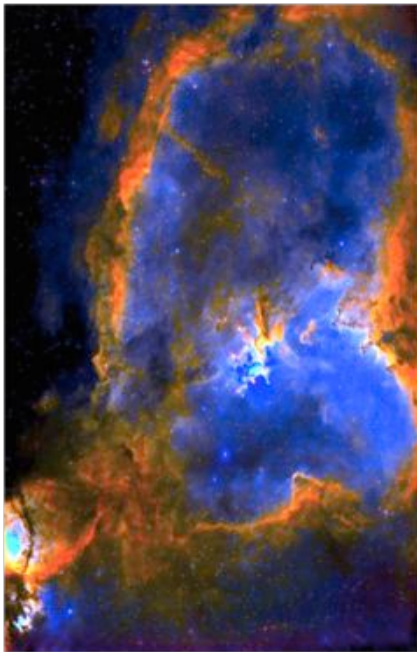

(2nd of 3 days) FORECAST Vibrant, exciting events invite interaction. New scenes bring awareness about nature, broadcasting, and design. ADVICE This is a great time to exclaim, invite, suggest, or congratulate allies. VENUS CONJUNCT MARS

Mars and Earth

Heart nebula

Tuesday, November 3

(all day) ^{FORECAST} Special interest perspective is gained on recent dramas, revelations and climaxes that occurred during the full moon phase, **October 25-29**. ^{ADVICE} Analysis within a group context is the most valid! MOON SQUARE SUN aka 'last quarter moon' visually speaking is a half moon

(3rd of 3 days) ^{FORECAST} Highly charged romance brings risks but also rewards. If probability estimates are favorable, it is appropriate to get into new projects with cultural, missionary, and social themes. ^{ADVICE} Appealing to pioneers and courageous folks serves to swell the ranks. VENUS CONJUNCT MARS

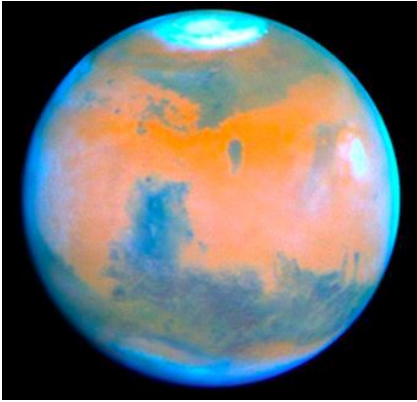

6:45- 10:45 PM EST ^{FORECAST} This timeframe produces dynamic depictions of leaders via dramas and vignettes. Character traits revealed now prove to be true, lasting, and influential. ^{ADVICE} Take note of who fits in as innovator; this is prized at the moment. MOON TRINE URANUS

Wednesday, November 4 No aspects between planets

Thursday, November 5

4:30-8:30 AM EST ^{FORECAST} A wish to exhibit talents—and get paid—is fulfilled via a demo of therapeutic skills. Clients and constituents depend upon close advisors. ^{ADVICE} Experts are probably pontificating to a group even if the audience seems to be only one person. MOON SQUARE SATURN

9:30 AM-1:30 PM EST ^{FORECAST} Feedback on a multitude of topics, projects, and indices determine effect of glamour, spirituality, or toxins. ^{ADVICE} Therapists and health advocates are helpful. Effectiveness depends on focus, purity, and judgment. There is less chance of success if they are easily fooled or distracted. MOON OPPOSED NEPTUNE

Planet Mars

Friday, November 6

10:30 PM (Thu)- 2:30 AM (Fri) EST ^{FORECAST} Today's front runners and news grabbers are those who provide direction: guiding souls in turbulent times. ^{ADVICE} Projects are best elaborated via knowledge of environment, toxins, mystery, and myth. MOON TRINE PLUTO

(all day) ^{FORECAST} Winning examples of design, humor, philosophy as well as charm and supernatural-like powers inspire confidence. ^{ADVICE} These talents, specialties, proclivities, and inclinations are working well together. MERCURY TRINE (120*) NEPTUNE

7-11 AM EST ^{FORECAST} Due to luck or publicity at the forefront are environmentalists, critics, and reformers. Some gain support. ^{ADVICE} Education, travel, and games are catalysts to greater global understanding and guidance regarding how to gain good fortune. MOON CONJUNCT JUPITER

Saturday, November 7 1:15-5:15 AM EST

^{FORECAST} Activists, instigators, and know-it-alls can serve well as masters-of-ceremony. These sentimental leaders are needed so that assemblies are more meaningful. ^{ADVICE} All actions now are superbly enriched with ample physical strength so training is a good prelude to anything. MOON CONJUNCT MARS

5:45-9:45 AM EST ^{FORECAST} Art, culture, and finance projects develop! Matchmaking at special events is favored due to a similar mission. ^{ADVICE} Put forth the most charm and beauty possible. Assert harmony anywhere and anytime! MOON CONJUNCT VENUS

Sunday, November 8 11:45 AM-3:45 PM EST

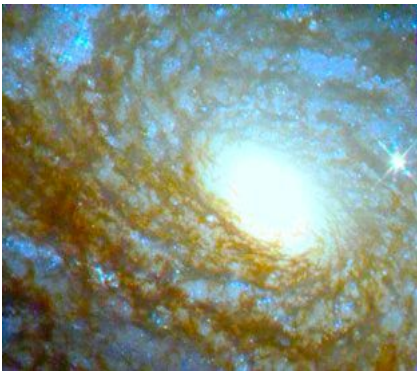

^{FORECAST} Encounters with impediments, resistance, OCD, or slow growth are discouraging but call for character growth, inner resources, and juggling. ^{ADVICE} This is a signal about what should change in order to promote optimum functioning. MOON SQUARE PLUTO

Saturn with its moon Titan

Sunday, November 8, cont'd 7:45-11:45 PM EST ^{FORECAST} Encounters with unusual or strange elements bring things to a head. Polarities play up contrasts. ^{ADVICE} Every overture may contain a grain of the future, interesting novelties or a charismatic tip regarding how to be hip!
MOON OPPOSED URANUS

Monday, November 9 (1st of 5 days) ^{FORECAST} Planning mode projecting to the entire month is the highest order of business. It is best approached as an art and serious duty. ^{ADVICE} Pick only the best options but build in plenty of alternatives. NEW MOON PHASE

Tuesday, November 10 11AM-3 PM EST ^{FORECAST} Those who emit special charm gain heartfelt popularity. People with a sense of humor and active intuition get tickets to paradise or access to resource-rich environments. ^{ADVICE} This is the way to make a hit: draw upon all talents and appeal to the human need to be loved! MOON TRINE NEPTUNE

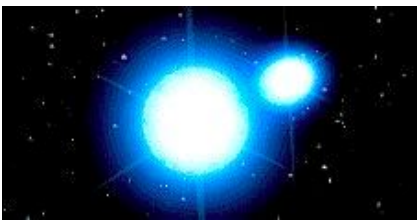

(2nd of 5 days) ^{FORECAST} Pow-wows and meetings of minds yield ideas about what events could and should manifest in the next few weeks. ^{ADVICE} Wise aspirants pose as shamans or engineers in order to plot the next few weeks. Definitely a time to stay alert at the wheel! NEW MOON PHASE

Wednesday, November 11 2:45-6:45 AM EST ^{FORECAST} Bright ideas and judgments about winners and losers is possible given current conditions. ^{ADVICE} Every idea that shows promise deserves a try, but finalists should score on legal, accounting and science points. MOON CONJUNCT MERCURY

(3rd of 5 days) ^{FORECAST} Strategizing in a group context will form alliances and attitudes. Habits have a make-it-or-break-it impact on the end the year. ^{ADVICE} Set up what you want to happen, transpire, and develop in the next few weeks. Be realistic, not whimsical. NEW MOON PHASE

Galaxy types

Thursday, November 12

6:45-10:45 AM EST ^{FORECAST} Most project managers have a boatload of serious issues, constructive criticisms, and random puzzles that need to be solved ASAP. ^{ADVICE} This day provides a view of what it takes to be successful administrator or entrepreneur. Get organized yourself or find a vetted expert. MOON CONJUNCT SATURN

(4th of 5 days) ^{FORECAST} One of the most crucial planning episodes uses standard methods of accounting, justice, and salvation. ^{ADVICE} Everyone should know how to smell out a good deal and throw out the rotten apples! NEW MOON PHASE

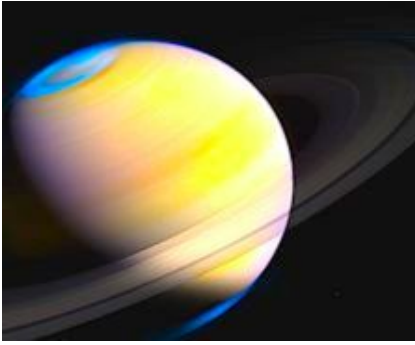

Friday, November 13

9:45 PM (Fri)-1:45 AM (Sat) EST ^{FORECAST} The tough guy or provocateur enters paradise; it is the ultimate bull in a china shop scenario. ^{ADVICE} The early warning system may be in effect here. Those who shake things up harmlessly could act as immunizers for later and truly damaging threats! MOON SQUARE NEPTUNE

(5th of 5 days) ^{FORECAST} What may be the most crucial pivotal set up phase of the year is ending its time window. ^{ADVICE} Act now to set up the next two or three weeks and toughen up a bit. Respond to issues and instigate ample troubleshooters NEW MOON PHASE

Highlights for Next Week & Beyond

Highlights: Next Week & Beyond, cont'd

November 16- December 6 ^{FORECAST} This time frame brings turning points that resemble those of 'Judgment Day'! There's a critical focus on idealistic paradigms or utopian communities. They may lack practical underpinning or protocol compliance. ^{ADVICE} This is a crisis mode for business related to pharmaceuticals, oils, chemicals, mystics and artists. There is excellent character building potential here! Coping mechanisms are an asset. SATURN SQUARE NEPTUNE

November 23-27 ^{FORECAST} The most challenging time frame of the year is ignited by the full moon. This full moon brings very difficult choices vis-à-vis fight or flight. ^{ADVICE} Stay out of bad neighborhoods, know what you can handle, save whomever you can but maintain your own safety and integrity. The Thanksgiving holiday in the USA presents opportunities to solve problems old and new in nation, community and family. It is time to toughen up and reel in indulgent or deceptive inclinations! FULL MOON OPPOSED SATURN AND SQUARE NEPTUNE

December 3- 9 ^{FORECAST} Survival instincts and scientific-engineering-design tools and knowledge meet up to formulate clever inventions and resourceful ideas. These are optimally reconfigured into what will work. ^{ADVICE} Investors, politicians, and healers will need refresher courses! Upgrade, update, and innovate! Advancement and transformation are necessary! MARS SQUARE PLUTO

December 6- 13 ^{FORECAST} Shocking developments exhibit signs of genius, mania, and eccentricity. There are wild things going on, some of which have futuristic or humanitarian elements. ^{ADVICE} Join up with charismatic groups. If you have an altruistic mission then get reinforcement and send out envoys and scouts! MARS OPPOSED PLUTO
